THANK YOU

From Year 3 children and their review of their Year 3: The Roman Day the PTA paid

“I loved learning about Boudicca / Romans because we had a Roman Day and we got to dress up and replay the Roman war.”

“In our last term we did Boudicca Vs Romans and Swimming! We did a Romans and Celts day when we dressed up and played the story as well as having swimming! Fantastic”

“This last term was Boudicca Vs the Romans. It was really fun because we had a man come round and share to us about Romans. We did loads of activities, it was epic!

Thank you

Thank you for reading this brief report. I hope you have found it useful in understanding the impact of the PTA money on children's learning.

The PTA's passion to raise thousands of pounds every year is absolutely wonderful because it means that all our children at Reigate Parish benefit from new equipment, visitors and new resources. It has such a positive impact on their educational attainment and progress.

My wholehearted thanks go to the parents who run the different events and to all the parents who attend the different PTA events. Your support is essential and I thank you.
