Q7 a. What are the strengths of the school?	b. What has been the biggest improvement in the school in the past year?
Nurturing, family feel. Our daughter is very happy and comfortable which is necessary for her to learn. She loves going to school.	Biggest improvement in past year is Tea Club. Really helpful for working parents, and our daughter has great fun.
Passionate teachers.	
Nurturing environment.	
Open lines of communication with staff.	
Nurturing environment, good equipment and learning aids. Great teachers.	More structured homework has been the biggest improvement.
The fact that issues are dealt with very quickly. It has a nurturing feel and all the teachers know every child and always seem happy to be at the school.	The homework system has improved.
a the dedication of all the staff and their superb attitude ; nurturing, gentle but with strong discipline	b AstroTurf fantastic addition and my son being able to do online homework which he loves
The growth of Year 3 and its contribution to the feel of the whole school has been really lovely to watch.	
Strengths: Friendly. Fun. Enthusiastic & committed to the children.	Improvement: Tea Club!!!
Strengths: Lovely nurturing environment, good behaviour promoted in a motivating way. Dedicated and approachable staff who bring out the best in the children. School communication with parents good. Highly effective phonics programme. Children love coming to school & well engaged with learning.	Improvements in last year - RWI well embedded, Astro turf, strengthening maths provision including fun abacus games for home practice
a. The Schools core values	b. This is our first year, so a difficult question to answer.
The school spirit and sense of community	
Good teaching and leadership, the school is well run. A variety of activities. Friendly community school.	
New build for year 4 in September	
a. Willingness to adapt systems to the needs of the children, and to achieve required outcomes	b. Secure approach to Primary School Progression. Presentation of the values - brilliant approach to schools 'houses'.
a)The school is very nurturing and as it is small the staff have time to isolate children's problems before they become entrenched	b) The Read Write Inc system is fantastic

Q8 To make the school an even better place for pupils and staff, what further improvements would you suggest?

- Communication
- More feedback on progress
- more library books
- Traffic calming/improvements to the entrance area and Blackborough Road immediately outside the school entrance.
- An evening session for parents to explain how for example maths is taught. Showing us working examples and providing parents with a handout for reference so we can better support our children at home
- None that we can think of.
- Wise pay implementation or equivalent
- increased level of outside learning e.g. In the woods / playground.
- I would really like to give my children the opportunity to learn a musical instrument and would really welcome more music lessons, possibly the piano.
- Have more days with evening time slots available on various days to see Teachers as currently its only one day a year
- Looking forward to new junior block, more space away from KS1 area. Separate hall for juniors to use.
- To widen scope of extra curricular activities. Continue to encourage team sports and improve opportunities for athletics within the school.
- No ideas! Sorry!
- Refresh decoration of old building to be in-line with new building
- None spring to mind.

These are being looked into.

Q9 What are your perceptions of RE?	What are your perceptions of collective worship?
We want our daughter to have lessons in RE and to take part in collective worship. We see this as important for her moral development .	We want our daughter to have lessons in RE and to take part in collective worship. We see this as important for her moral development .
That being a church school there is quite a big focus on religion in many aspects of learning. The values of the church are similar to that of the school.	
My husband and I are not strongly religious however we find the balance of RE provided is very good and will allow our child to develop his own beliefs whilst having a good appreciation of other religions. There is a perception that the school is VERY religious ;BUT we have found that this is not the case and that the strong Association with the local church is of benefit to the community and the pupils Enjoy the involvement	
An understanding of all faiths.	Agree strongly with collective worship but not necessarily having to be Christian.
Important and useful.	
1. Children are taught about the teachings of the Christian faith and other religions. Centred around religious holidays and festivals	2. Collective Worship is the whole school (or year group) coming together (for example in assembly) to worship God.
RE- learning about different religions.	Collective worship - worshipping together at school assemblies etc.
I think it is essential for the children to have an understanding of different religions and important that they are taught the core Christian values.	
We are happy with the balance of these in the school, its one of the reasons we chose Parish	
the children enjoy it	
We are from a Christian background and encourage RE and collective worship	
I love the fact the school is a church school and has a strong Christian ethos. It's great that all religions are studied in RE so that the children learn about and understand all religions and cultures.	I love the fact the school is a church school and has a strong Christian ethos. Coming together as a school for collective worship, singing hymns, hearing bible stories and praying together is wonderful.
RE and collective worship are important parts of the spiritual development of our children.	RE and collective worship are important parts of the spiritual development of our children.
I am absolutely delighted to be part of a school that serves God. This is of utmost importance to us!	Collective worship is important and brings in God, Jesus and the Holy Spirit's presence in the school. There has never been a time in history when I feel it is so important that we raise Kingdom kids.
warm and all encompassing
