

Children's Questionnaire April 2015

The children all participated in the on line questionnaire in December 2014 (qu 1-7). They are strong critiques of behaviour in class and outside during playtime and lunchtime. Observations from parents, governors when they visit school, staff, the school's overview leader, data from our Behaviour Logs and headteacher observations comment on how good behaviour is around school. Nonetheless we continue to monitor the behaviour of children so they are active in the learning and playing positively outside. In April 2015 we asked the children again their thoughts on behaviour in their class and outside and below are their answers.

Pupil Questionnaire Results December 2014

	Reception	Year 1	Year 2	Average
Q1 I like coming to school				
Yes	79%	92%	92%	88%
No	9%	2%	5%	5%
