Bike it in the Autumn Term

The Bike It Crew is made up from six children from Years 1 - 3 (one child per class) who applied to be a member of the crew. This term they have:

- Designed and sent out to all children to take part in the first bike it wordsearch. Prizes were awarded.
- Promoted the back to school cycle challenge competition.
- Organised the order of classes to have Pedals the Bear to take home.
- Promoted and sent out to all children the opportunity to enter a national road safety poster competition.
- Help count the bikes every month.
- Thought of reasons to cycle to school and displayed them on the bike it board.
- Talked to their class about what they discuss in their meetings.
- Looked in a catalogue to make recommendations for spending the prize money on outdoor equipment for all children to enjoy.
- Received, in a special assembly, the cheque for £150 for winning the R&Be back to school cycle challenge.

In January 2017, for the Spring Term, there will be a new Bike It Crew comprised of children who have applied to join the crew. The application form will go out to all children in January.
