<p>Apologies received from Mrs Lister, Mrs Bryne, Mrs Pocock</p> <ul style="list-style-type: none"> • A question was asked whether the sports day could have more fun sports events as opposed to speed races so that those children who are not as athletic can have a chance to take part. • The pizza express trip was enjoyed by the year 2 children so thanks to the school and Pizza Express for arranging this. • The Abacus homework has not been set on a regular basis and there is sometimes confusion about whether the work sheet needs to be printed out. Mrs Davis said that the work should be every week and does not need to be printed out, she will check with Mrs Wantenaar • Can late reminders please go to parents via Marvellous Me and not the book bags. Mrs Davis said that we preferred to us Marvellous Mr to be a learning conversation and that I would probably be best to send late reminders by email. • On the parents survey one parent had not been able to enter details for both her children. Mrs Clark stated that the survey had been set to take multiple answers from parents so they can enter two sets of details. • Do we know when the Blackbough Road parking restrictions will start. Mrs Davis will let the parents know as soon as she does. • Is it possible for the children to select which day they have a school lunch based on a dislike for certain foods. Mrs Davis and Mrs Clark explained that allergies, religious and cultural preferences can be catered for but that we encourage children to try all the food on other if these don't apply. In reception we support children who are moving form packed lunches to school meals at the start of the year but that would be the only time. • The Ladyland Farm trip for reception had been a great success. • Mrs Davis said that year 2 parents who were not staying with us would have an opportunity to look inside the new building. Details of classes for next year will be going to parents shortly.
