

On Monday 19<sup>th</sup> June, our selected Year 3 athletes competed in the Small Schools category in the annual District Sports event (there is a Big Schools category for the bigger schools to compete against each other). There were seven local schools in our category.

Primary Schools enter their Year 3, 4, 5 and 6 children into the throwing, jumping and running competitions. We competed in the throwing, 4 x 50m shuttle run, 300m run, 50m run and 150m run.

This year we entered our Year 3 children into District Sports competition and as we grow we will enter a larger team. So, next year we will have Year 3 and 4 enter.

Our amazing athletes did very well and we are very proud of all of them. Well done to Zac, Paige, Jessica, Eve G, Emily, Lani, Riley, Tommy, Oscar, Ethan, Lily and Joshua P. Of the events we entered, we got six "second places" and four "first places". Incredible for our first time and we are so very proud of how hard they all tried, wherever they were placed at the end of the race / throw.

The children who came first are then invited to attend a "Masterclass" that happens after school before the end of term at a school locally . Individual families are being contacted with the details.

Thank you to all staff and parents who have encouraged our children.

### Stop Press

**Coming out tomorrow is a second PE document that outlines all the great PE and sport opportunities internal and external to school that our Year 3 children have experienced**
