Our aims for the day:

- Transition
- Excellence in Teaching and Learning
- Motivation
- Inspiration
- Outstanding music, dance and drama

## St Bede's and Reigate Church Parish Primary School: It's Showtime!

On Wednesday 13st January, Year 4 were invited to St Bede's to see their performance of "The Addams' Family."

As we waited, we saw the tall children walking purposefully towards their lessons. Everyone including Mrs Kennedy commented on how tall everyone was. As we approached the theatre, the children were quiet in awe and wonder at the lights, stage and staging. "It's like going to the real theatre" the children said in hushed voices.

Suddenly, it was time to start and Mr Woods introduced the band. We cheered especially loudly for the two children that had been to Parish.

Mrs Downes then explained when the show was set and the lights dimmed and it was time to start.

## What an inspiration! Team work in action.

The show was incredible and showed the children what team-work could achieve. The band, the actors, the lighting team, the sound team and the stage hands all worked together to create a funny and entertaining performance.

"When I go to St Bede's I want to be part of the lighting team" commented one child at the interval.

Throughout the whole performance the children were lost in the story.

"That was so cool, I thought Gomez was really funny."

"Wednesday was an amazing singer."

"Uncle Fester really made me laugh, when he fell in love with the moon."

**Thank you so much to all the staff and children at St Bede's for a magical morning.**
